

object

```
graph BT; Parley[projects.self_feeding.utils.Parley] --> object[object];
```

A diagram illustrating an inheritance or class relationship. A light gray box at the top contains the word "object". A dark gray box at the bottom contains the text "projects.self_feeding.utils.Parley". A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating that Parley inherits from or is a subclass of object.

projects.self_feeding.utils.
