

parlai.utils.misc.neginf

```
graph LR; A[parlai.utils.misc.neginf] --> B[parlai.utils.misc.maintain_dialog_history]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'parlai.utils.misc.neginf'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'parlai.utils.misc.maintain_dialog_history'.

parlai.utils.misc.maintain
