

light\_chats.graph.Graph.has\_prop

```
graph LR; A[light_chats.graph.Graph.has_prop] --> B[light_chats.graph.Graph.get_prop]
```

A diagram showing a transition from a 'has' state to a 'get' state. It consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is shaded gray and contains the text 'light\_chats.graph.Graph.has\_prop'. The right box is white and contains the text 'light\_chats.graph.Graph.get\_prop'.

light\_chats.graph.Graph.get\_prop
