

```
parlai.scripts.build  
_pytorch_data.make_serializable
```

```
graph LR; A[parlai.scripts.build  
_pytorch_data.build_data] --> B[parlai.scripts.build  
_pytorch_data.make_serializable];
```

A diagram showing a call from the function `parlai.scripts.build_pytorch_data.build_data` to the function `parlai.scripts.build_pytorch_data.make_serializable`. The call is represented by a blue arrow pointing from the right box to the left box.

```
parlai.scripts.build  
_pytorch_data.build_data
```
