

Module

```
graph BT; A["parlai.agents.starspace.modules.Starspace"] --> B["Module"]
```

The diagram consists of two rectangular boxes. The top box is white with a thin gray border and contains the word "Module". The bottom box is gray with a thin black border and contains the text "parlai.agents.starspace.modules.Starspace". A solid blue arrow points vertically from the top center of the bottom box to the bottom center of the top box, indicating a relationship or inheritance.

parlai.agents.starspace.modules.
