

tests.test\_transformers.  
TestLearningRateScheduler.test  
\_resuming\_ranker

```
graph LR; A["tests.test_transformers.  
TestLearningRateScheduler.test  
_resuming_ranker"] --> B["tests.test_transformers.test  
_learning_rate_resuming"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a light gray background and a black border, containing the text 'tests.test\_transformers.', 'TestLearningRateScheduler.test', and '\_resuming\_ranker' on three lines. The right box has a white background and a black border, containing the text 'tests.test\_transformers.test' and '\_learning\_rate\_resuming' on two lines.
